Dear Sir,

I would like to be considered for the open OHSE Manager within your organization which fits with my experience and qualifications.

As a safety professional I find myself interested to join a company with a prestigious position and a good reputation, moreover gaining experience from a various areas of occupational safety and safety cultures can add a color to my career path, Refine my information and increase my knowledge.

For the past 17 years I have been working on Construction project in JORDAN.

I would like to consider myself as a dedicated OHSE team player within any given role who truly believes that all accidents and incidents can be prevented, with the correct type of leadership, management and commitment.

I am experienced and accredited in a full range of HSE activities, including Inspections, Site Auditing, Accident Investigation, Risk Assessments, the development and implementation of HSE management systems and procedures.

Through my experience I find myself having sufficient knowledge of both International & national (Jordanian) laws and legislations regarding safety, environment and occupational health.

I am enclosing my CV for your reference, for further information and /or references don't hesitate contacting me on +96296259972

Thank you for taking the time to consider my application.

Yours sincerely,

Ahmad Tomasz Al-Haj Fayyad
